## Dean's Column

March 2017

### We need YOU!

A convention – regional or national – is a significant undertaking for a chapter. For over a year and a half the Regional Convention Steering Committee has done the heavy lifting of planning the 2017 Convention. All the big pieces are now in place – artists, venues, workshop presenters, hotel. It is exciting to see the culmination of these many months of work.

If you have attended a convention you know it requires “all hands on deck” to run smoothly – many more than the Steering Committee. We need you. Why? This convention not only reflects our city, but our chapter. We are a chapter that is welcoming to all, vocational and avocational organists, choral directors, and aficionados of the “king of instruments.” We are a chapter that supports those who create and perform music for the organ, that nurtures future generations of organists, and engages wider audiences with organ and choral music. The convention represents all of this, and all of us. So, join us on Monday, March 27 to get a detailed look at the convention, and learn how you can help Dallas: City of the Arts the very best regional convention yet.

### In the April *The American Organist*

Please read the article on important changes to membership categories and dues structure that will take effect April 1 for new members, and on the renewal date for renewing members with expiration dates beginning on or after July 1. The changes were approved by the National Council in January to better meet the needs of the AGO's changing constituency.

Michael Shake, Dean

## Prelude to the Convention - March 27

The Steering Committee of the SW Regional Convention will be hosting a get-together on **Monday, March 27**, at **King of Glory Lutheran in Dallas (6411 LBJ Freeway) at 7:00 pm**. Libations and snacks will be available. We will review our promotional video and our block-buster lineup of artists and workshop presenters. Most importantly, we will be asking for help from the most essential asset the Dallas AGO has: its membership. We need volunteers to run our convention!

Whether you have an interest in helping the buses run on time or a plethoric focus in technological issues, we have a job for you! Sheryl Sebo, our Volunteer Coordinator, will happily assign you to a spot.

If you haven't yet registered and you need assistance with the on-line registration, help will be available that evening.

Dallas, The City of the Arts, has emerged as an important organ center in America. Eleven new organs have been constructed or expanded since the 2007 Dallas Regional Convention. The Fisk organ at the Meyerson Symphony Center continues to be one of the most important American organs built in this century or the last.

The opening service of the convention is a Vespers service as it might have been practiced in the sixteenth and seventeenth-centuries, a celebration of the 500th anniversary of the Lutheran Reformation. There are 27 workshops from which participants may select, an intriguing list that spans interests and skills.

We look forward to seeing you on March 27 at King of Glory!

While not exactly “womb to tomb,” AGO 2017 workshops are designed to reach a musician at all levels, from “Flirty and Under Thirty” to “Sitting on Top of the Hill—or Over It,” to Everyone In-between.

### The program committee was especially eager to reach out to this younger group with workshops on

### Other practical workshops include

- Nurturing our choir singers, especially the aging voice and the young voice
- Introducing congregations to the wealth of African-American and Hispanic sacred music
- Four conducting workshops
- Playing continuo
- A panel on the organ, worship and culture
- Three workshops on specific styles:
  - Reger
  - Slurs and *Grand-Choeur* registrations in 19th- and 20th-century French literature
  - Playing Bach

### Those with historical interests will be able to attend a workshop on

- Luther’s musical world
- The rise of the mechanical action organ in the Southwest (an area often overlooked in the history of American organ building)
- The English choral tradition

### For chapter officers and members there are workshops on

- Chapter growth and organization

## Dallas 2017 Regional Convention Giving Opportunities

Hosting a successful convention requires the help and support of every member of an AGO chapter. As the Dallas Chapter prepares to host the 2017 regional convention, we ask you to consider ways that you might play a part.

**The Steering Committee has prepared an ambitious program for the convention: Nathan Laube, Chanticleer, Organized Rhythm, Stefan Engels, Maxine Thevenot, and more.** The Steering Committee faces the challenge of funding this bold program while maintaining an affordable registration price for participants and avoiding the depletion of reserve funds that guarantee the future of our Chapter.

**For that reason, the Committee asks you to consider making an individual gift to the convention.** The goal for individual gifts is \$75,000. We are proud to report that every member of the Steering Committee has already made a gift of at least \$300, and that the total individual gifts already received exceeds \$32,000.

**This fall, every member of the Chapter will be asked to help;** please consider saving the time resources of the Steering Committee by acting now. Gifts will be acknowledged in these categories:

### Levels of Support

<b>Diamond</b>	<b>\$5,000+</b>
<b>Platinum</b>	<b>\$2,500-\$4,999</b>
<b>Gold</b>	<b>\$1,000-\$2,499</b>
<b>Silver</b>	<b>\$500-\$999</b>
<b>Bronze</b>	<b>\$250-\$499</b>
<b>Copper</b>	<b>\$100-\$249</b>
<b>Brass</b>	<b>\$1-\$99</b>

**Some categories include special features that might appeal to you.** Every gift of Platinum or above will be acknowledged as the sponsor of a specific concert at the convention. Every AGO Member who makes a gift of Gold or above will be offered free basic convention registration (value of the registration will not be tax deductible). Every AGO member who makes a gift of Silver and above will be honored, along with the Steering Committee, at a celebratory event during the convention.

**All gifts are tax deductible. Financial support can be given in two ways:**

1. Make a check out to Dallas AGO 2017 and mail it to Dallas AGO 2017, 715 Parkmont, Dallas, TX 75214
2. Contact our treasurer David Brown at [jorde@swbell.net](mailto:jorde@swbell.net) for other payment opportunities.

**Thank you! - Jeremy Wirths, 2017 Dallas Regional Convention Fundraising Chair**
